

Credit Card Balance Transfer Request

Pay off your high-rate credit card balances today and save money. It's fast and easy!

HERE'S HOW:

1. Decide how much you want to transfer to your Salal credit card and fill in the information below.
2. All spaces on the form must be completed before your balance transfer(s) can be processed. A balance transfer is subject to finance charges from the date the check is issued by Salal Credit Union.

IMPORTANT: We will process your balance transfer request(s) in the order listed and within the credit limit for your Salal credit card. Each transfer will reduce your available credit on your Salal credit card just like any other transaction. Salal reserves the right to decline to process any balance transfer request.

3. Return the form by fax to **206.298.3495** or by mail to: **Salal Credit Union, PO Box 19340, Seattle, WA 98109-1340**
4. From there, Salal takes care of all the paperwork. It may take up to four (4) weeks for the transfer to post to your other account(s).

IMPORTANT: Your other account(s) will not be closed by Salal, even if you transfer the entire balance(s). You must contact your other credit card lender(s) if you wish to close your other account(s). Until balance transfers are complete, you are responsible for making any payments on the account(s).

ATTENTION: LOAN SERVICING - Please transfer the account(s) listed below to my new Salal Credit Union credit card account as listed in preferred payment order.
