

What You Need to Know about **Overdrafts** and **Overdraft Fees**

An overdraft occurs when you do not have enough money in your account to cover a transaction, but we pay it anyway. We can cover your overdrafts in two different ways:

1. We have standard overdraft practices, called Courtesy Pay Basic that come with your account if you meet certain eligibility requirements. To learn more, ask us about how Courtesy Pay Basic works and the eligibility requirements.
2. We also offer overdraft protection plans, such as a link to your savings account or line of credit, which may be less expensive than our standard overdraft practices. To learn more, ask us about these plans.

This notice explains our standard overdraft practices.

WHAT ARE THE STANDARD OVERDRAFT PRACTICES THAT COME WITH MY ACCOUNT?

If you meet the eligibility requirements, your account will be enrolled in our standard overdraft practice, Courtesy Pay Basic. When there are not sufficient available funds in your account, we may authorize and pay overdrafts for the following types of transactions:

- Checks and other transactions made using your account number
- Automatic bill payments

We do not authorize and pay overdrafts for the following types of transactions unless you ask us to (see below):

- ATM transactions
- One-time debit card transactions (also called everyday transactions)

We pay overdrafts at our discretion, which means we do not guarantee that we will always authorize and pay any type of transactions. If we do not authorize and pay an overdraft, your transaction will be declined.

WHAT **FEES** WILL I BE CHARGED IF SALAL CREDIT UNION PAYS MY OVERDRAFT?

- We will charge you a fee of **\$29 each time** we pay an overdraft, but not more than **\$116 per day**.
- If the transaction that overdraws your account is for **\$5 or less**, a fee will not be assessed.

WHAT IF I WANT SALAL CREDIT UNION TO AUTHORIZE AND PAY OVERDRAFTS ON MY ATM AND ONE-TIME DEBIT CARD TRANSACTIONS?
